## Title

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF MIAMI GARDENS, FLORIDA, AUTHORIZING THE CITY MANAGER TO ISSUE A PURCHASE ORDER IN ACCORDANCE WITH THAT CERTAIN BROWARD COUNTY SCHOOL BOARD BID #24-025N AVI AND HERNANDO COUNTY SCHOOL BOARD BID #05-480-120 IN AN AMOUNT NOT TO EXCEED \$111,662.31 TO AUDIO VISUAL INNOVATIONS, INC., FOR THE PURCHASE AND INSTALLATION OF AUDIO VISUAL EQUIPMENT; PROVIDING FOR THE ADOPTION OF REPRESENTATIONS; PROVIDING AN EFFECTIVE DATE.

## Staff Summary

The Miami Gardens Police Department has been renovated to include an Emergency Operations Center (EOC)/training facility. This area will have the ability to perform the collection, processing, display and dissemination of information as well as provide command and control of available resources. The EOC will have communications links, computer equipment, map displays, dynamic status boards etc. This equipment will also be utilized for training purposes.

The Communications area/front lobby requires audio and visual equipment to display helpful information related to Emergency Operations as well as upcoming events of interest, services, wanted and missing persons as well as broadcast news.

**J-8) CONSENT AGENDA  
RESOLUTION**

P.O. to Audio Visual Innovations, Inc.

The Conference areas require audio and visual equipment to display information from various sources including PC and digital broadcast sources for meetings, for normal business operations and during emergency operations.

A portion of the funding for the audio visual equipment is provided through the Urban Area Security Initiative Grant Program (USAI) with the other portion being funded through the City's equipment bond.

**Analysis:**

Staff has researched different options for acquiring and installation of audio and visual equipment. Audio Visual Innovations, Inc. located in Deerfield Beach, Florida has been awarded contracts for the purchase and installation of audio and visual equipment by several governmental entities including Broward County School Board, GSA and Hernando County School Board. All of these entities competitively bid for this service and award to the lowest, responsive responsible vendor.

The itemized quotations for this project are attached as Exhibit "A".

**Recommendation:**

That the City Council approve the attached resolution authorizing the City Manager to issue a purchase order in accordance with the Broward County School Board Bid#24-025n AVI issued 11/01/05 and Hernando County School Board Bid #05-480-120 issued 03/22/05 in an amount not to exceed \$111,662.31 to Audio Visual Innovations, Inc. for the purchase and installation of audio visual equipment.
